

Correct Summer Clothing The Kind That Won't Lose Shape

Did you ever notice how quick thin clothing loses its shape? It's because it is not made right. We overcome that fault in our Correct Summer Clothing—we've had it made a new way. The coats have a full shoulder, with hair-cloth stiffening down the front, that keeps them from breaking or losing shape. The pants have cuff bottoms, concealed buttons and felt straps, the cloth is thoroughly shrunk which overcomes bagging at the knee. There's no clothing like it for fit and style in Paducah. We show the new Irish Donegal Cloths, Cheviots and Homespuns in coats and pants for men and young men

SLAUGHTER BEGINS

Cairo Here to Take Her Medicine From Indians.

New Decatur Left After Losing Four Games to the Paducah Team.

NEW SCHEDULE STARTS TODAY

Other K. I. T. Games.

CLOSE CONTESTS AT JACKSON.

Jackson, Tenn., June 23—In the morning game Clarksville beat Jackson by a score of 2 to 1. In the afternoon a twelve inning game resulted in a tie of 2 to 2.

CAIRO TAKES A THIRD.

Cairo, June 23—Cairo won the third straight from Hoptown yesterday afternoon by a score of 4 to 3.

HENDERSON BEATS VINCENNES

Henderson, June 23—Henderson won from Vincennes yesterday on muddy grounds, score 12 to 5.

CAIRO AT LAST!

From time immemorial Paducah and Cairo have been deadly baseball rivals, and today for the first time in several years we welcome our ancient enemy and warn it to prepare to die. We will have nothing but victory. The Egyptians are our meat, and we have been patiently waiting for them ever since the season opened and feel confident that they have been purposely avoiding us because they will be ashamed to go home when we finish the three games with them.

Years ago Cairo and Paducah used to play on the local grounds, and it used to take a posse then to keep down fights. Today the two clubs cross bats again and there will doubtless be a large crowd out, for this is the beginning of a new schedule and the clubs will strive hard for victory. Everything looks forward to a successful season and to large crowds.

The Cairo club arrived last night on the Fowler, and the line-up for today is:

Paducah—Clifford, catcher; Hedges, pitcher; Fitzgerald, first base; Edmunds, second base; Connors, third base; LeCompte, short stop; Murray, left field; Potts, center field; Gage, right field.

Cairo—Rutledge, catcher; Brockett, pitcher; Hughes, first base; Smith, second base; Witt, third base; Croly, short stop; Wallace, left field; Powers, center field; Schwab, right field.

PADUCAH WON HANDS DOWN.

Yesterday's game with New Decatur was not of the snappy sort. The visitors played a slow game, but Paducah did some fast playing, and had as a new member Connor, the new third baseman from Notre Dame, who plays quite a sensational game and it is thought will make good.

Wilson, and Perry, and Burnam and Sallard were the batteries, and Paducah got 10 runs, 10 hits and 2 errors, while the visitors got 2 runs, 8 hits and 5 errors.

PADUCAH CLUB WON.

The Eureka colored ball club of Paducah beat the Jackson, Tenn., colored club yesterday by a score of 2 to 1. It was a hot game and a fight or two occurred, but no one was seri-

ously hurt.

Bob Langford, known as "Dynamite," will umpire this afternoon's game.

Dunn and Bryant, at Fifth and Norton streets, will give \$5 to the Paducah man knocking a fair ball over the fence.

Official umpires will not go in today as President Thompson is not here and has not completed arrangements for them. This is a disappointment to local fans.

Thursday is ladies' day at the ball park and all ladies will be admitted free of charge. President Weille thinks the crowd will be larger on that day than ever before in the history of the present league.

Catcher Gage did not arrive today, having missed connections but will get here tonight. He was badly needed today but the lineup will be strong, the same being in effect as the one yesterday with the exception that Freeman will do the work at the slab.

The Cairo boys arrived last night on the Fowler and are a trim, energetic looking set of fellows. They have been playing faster ball perhaps than any other team in the league, but when Hopkinsville holds them down so well Paducah fans feel confident that they are "not so heavy."

Connors has made himself solid here and plays as fast ball as little "Willie" LeCompte. He made only one error yesterday and his work at third in putting men out on close throws was superb. He is an easy ball player. The fans have already placed much confidence in him and all balls to the left of the batter will be well taken care of, Connors playing not only at third and short stop, but in right, center and left field and sometimes behind the bat.

This morning the New Decatur team left for home on the N., C. and St. L. train after having met with four sore defeats. They are pretty fast ball players, but did not seem to be very much in the game here. Potts and Sawyer, second baseman and pitcher, remained over and will probably be used in the games against Cairo if Paducah's new men do not all arrive. Potts and Sawyer will not be permanently signed, but will return home after these games here.

POSTOFFICE CASES

Latest Developments Indicate That Others are Involved.

Effort Being Made to Mix Congressman Loud Up in the Affair.

Washington, June 23—The Post says that among the matters which Fourth Assistant Postmaster General Bristow is investigating is the purchase from a California company, the Postal Device and Improvement Co., of some 17,000 devices for indicating the hours of collection of mail. The invention is that of the postmaster at San Francisco, it is said.

It is also said that 7,000 of these devices originally were ordered at a cost of \$4 or more each, or a profit of 100 per cent on cost, and the allegation is made that a further order for 10,000 was placed, notwithstanding the original 7,000 devices were not used, but were reposing in a storehouse. The company controlling the device was largely made up of California postal employees, and the Post will say that it is informed that former Representative Loud of California, formerly chairman of the house postoffice committee, took an active part in their behalf and wrote several letters urging the device in the department, and in one of them said it would be an accommodation to him if the matter were attended to.

The allegation was made, the Post will say, that \$45,000 of the deficiency of \$105,000 in the free delivery service with which Mr. Machen is charged was due to purchases of the device in question, but at the postoffice department this was denied, and the statement made that the matter was under investigation.

Dr. H. P. Sights and wife went to Dawson today at noon on a visit. Dr. Sights goes up on professional business and will return within a few days, his wife remaining several weeks.

When you want accuracy in a picture there is only one sure way to secure it—by a photograph! A drawing made on careful measurements may or may not be accurate; a photograph must be.

In the same way when you want an accurate fit in a shoe there is only one sure way to secure it.

Don't trust to luck on a last made by ordinary measurements, but use a last constructed on an "X-ray" photograph.

The "Dorothy Dodd" Shoe fits the foot as no other shoe ever can, because in shaping it I have been guided entirely by "X-ray" photographs of the foot.

This explains the marvelous fit of a "Dorothy Dodd." Sincerely yours,
